Profile Summary

Passionate and detail-oriented **Licensed Architect** with ~ 2 years of combined professional and site experience in **residential, commercial, and resort projects**. Adept in **architectural design, 2D drafting, 3D visualization, and project coordination**, with proficiency in leading tools such as AutoCAD, Revit (Basic), SketchUp, Lumion, Enscape, and Adobe Creative Suite. Skilled in producing **client-ready presentations, construction documentation, and visualization** that enhance project communication and approvals. Strong collaborator, eager to contribute to **innovative, sustainable, and human-centered design** within Dubai's fast-paced architectural industry.

Core Skills

- **Design & Drafting:** Concept Development, Space Planning, Working Drawings, Detailing
 - **Visualization & Rendering:** SketchUp, Lumion, Enscape, Adobe Photoshop, Illustrator, InDesign, Premiere Pro
 - **Technical Expertise:** AutoCAD, Revit (Basic – BIM), 3D Modeling, Material Selection, FF&E Coordination
 - **Project Coordination:** Site Supervision, Client Interaction, Consultant Collaboration, Tender Submissions
 - **Creative & Support Skills:** Graphic Design, Branding, Presentation Layouts, Visual Storytelling
-

Professional Experience

Architect – Self Employed. Faisal Hills, Islamabad | Apr 2025 – Present

- Led design changes on a **90x90 ft commercial project** at Faisal Hills, ensuring compliance with site and client requirements.
- Coordinated with engineers and contractors on **interior projects, optimizing space layouts** and **execution consultancy** of 5 to 10 Marla and 1 Kanal houses.
- Supervised team tasks and provided site input to align construction with design intent.

Assistant Architect – Bilal Khan Design Studio, Islamabad | Feb 2025 – Apr 2025

- Contributed to design development for a **60x200 ft commercial project** at FMC.
- Assisted in interior projects (office + apartment) with focus on **detailing, layouts, and visualization**.
- Liaised with clients to refine design outputs and ensure satisfaction.

Architect Intern – Alam Khan Designs (AKD), Islamabad | Aug 2024 – Feb 2025

- Assisted in concept + visualization for **VROOM Karting Circuit Viewing Deck** and **PIND Restaurant**.
- Gained hands-on exposure to **3D printing, epoxy/resin design, and furniture prototyping**.
- Produced 3D models and renderings for **high-end residential interiors (DHA RAYA)**.

Architect Intern – The Design Ventures (TDV) | Dec 2021 – Feb 2023

- Developed models + drawings for **Waterfront House (Ghana), Usman Residence (KP), and Luxury Chalet (Shangla)**.
- Produced interior visualizations + traffic plans for clients, improving communication and approvals.
- Enhanced project outcomes with strong command of **SketchUp + Lumion + AutoCAD**.

Freelance Architect – Remote | 2023 – 2024

- Delivered architectural & interior design solutions for:

- *Villa de Fiesta, Dubai* – luxury villa with modern exteriors & high-end interiors.
- *De Rinda Resorts, Batakundi* – guest accommodations & recreational designs.
- *Glamorous Heights, Kalaam* – boutique resort with eco-friendly concepts.
- Provided full cycle services: **concept, drafting, visualization, and client presentations.**

Graphic Designer (Remote) – E-Globals, Sialkot | Aug 2019 – Aug 2020

- Designed branding & marketing visuals, **increasing digital engagement by 20%.**
 - Supported architecture-related visual communication via Adobe Photoshop, Illustrator & Premiere Pro.
-
